CULTURAL HERITAGE MANAGEMENT, GARDENING, RURAL LANDSCAPE AND SUSTAINABLE TOURISM STRATEGIC PROGRAM

PRESENTATION

A learning-by-doing program of workshops and international conferences, open educational resources and introduction to ICT to enhance, safeguard and educate on cultural and natural heritage. The program has included virtual webinars and workshops from other organizations

The Program and actions in the pilot learning villages. have been developed focusing in the specific characteristics of the town and its cultural context. The programme has been designed to be essentially presential. Local partners have implemented different coaching, training and/or educational actions in the learning villages.

This document links to educational contents conforming this pilot training program. It will be further developed in the Learning Villages International Network (LVIN).
